Notes to the Group Estimated Ore Reserves and Mineral Resources

Ore Reserve and Mineral Resource estimates are reported in accordance with the South African Code for Reporting of Exploration Results, Mineral Resources and Mineral Reserves (the SAMREC code, 2016).

Figures reported represent 100% of the Ore Reserves.

Rounding of figures may cause computational discrepancies.

Copper 360 Limited represents the Group as the ultimate holding Company.

Detailed reporting forming basis for estimated Group Ore Reserves and Mineral Resources can be found in the Competent Persons Report dated 25 January 2023 and subsequent Company reports and press releases.

Copper 360 Limited holds 95% equity and 90% financial benefit in its subsidiary (SHIP), which owns a 100% of all mineral resources within its mining license.
