TRUSTEE'S DEED AFTER SALE

THIS INDENTURE, made November 18, 2025, between T. Jaren Stanton, as Successor Trustee as hereinafter stated, herein called Trustee, for the benefit of SILVERPEAK CREDIT PARTNERS, LP, as administrative agent, under the Deed of Trust, Leasehold Deed of Trust, Assignment of Leases and Rents, Security Agreement, Fixture Filing and As-Extracted Collateral Filing (the "*Deed of Trust*") (as defined below), and WALKER LANE RESOURCES LLC, a Delaware limited liability company, herein called ("*Grantee*").

WITNESSETH:

WHEREAS, RAWHIDE MINING LLC, a Delaware limited liability company, by Deed of Trust dated January 3, 2019, and recorded on January 3, 2019, Document No. 169965, in the Office of the County Recorder of Mineral County, State of Nevada as modified or amended, if applicable (the "*Deed of Trust*"), did grant and convey to said Trustee, or their successor, upon the trusts therein expressed, the property hereinafter described, among other uses and purposes to secure the payment of that certain obligation and interest according to the terms thereof, and other sums of money advanced, with interest thereon, to which reference is hereby made;

WHEREAS, the current beneficiary of the Trust Deed is Walker Lane Resources, LLC, a Delaware limited liability company, by assignment recorded October 13, 2025, as Document No. 191084 of the Official Records of the County Recorder for Mineral County, State of Nevada and the record owners of the Trust Property as of the recording of the notice of default are Rawhide Mining LLC and Silverview Credit Partners LP, FKA Silverpeak Credit Partners, LP;

WHEREAS, pursuant to that certain Substitution of Trustee recorded October 16, 2025, as Document No. 191121, in the Office of the County Recorder of Mineral County, State of Nevada, Beneficiary did substitute in place and stead of Original Trustee, COW COUNTY TITLE CO., T. JAREN STANTON, as Successor Trustee;

WHEREAS, breach and default occurred under the terms of said Deed of Trust in the particulars as set forth in the Notice of Breach and Election to Sell Under Deed of Trust recorded December 30, 2024, as Document No. 189203, in the Office of the County Recorder of Mineral County, State of Nevada, hereinafter referred to, to which reference is hereby made;

WHEREAS, the Beneficiary or holder of said obligation did execute and record the Notice of Breach and Election to Sell Under Deed of Trust on December 30, 2024, as Document No. 189203, in the Office of the County Recorder of Mineral County, State of Nevada, to cause the Trustee to sell said property to satisfy the obligations secured by said Deed of Trust;

WHEREAS, RAWHIDE MINING LLC, or any other person, has failed, for a period of 35 days following recording of the Notice of Breach and Election to Sell Under Deed of Trust on December 30, 2024, to make good the deficiency in performance of payment, and not less than three months having passed since recording of the Notice of Breach and Election to Sell Under Deed of Trust on December 30, 2024;

WHEREAS, Trustee, in consequence of the Notice of Breach and Election to Sell Under Deed of Trust, and in compliance with said Deed of Trust and with the statutes in such cases made and provided, did cause the Notice of Trustee's Sale, as required by law, containing a correct description of the property to be sold and stating that the Trustee would under the provisions of said Deed of Trust sell the property therein and herein described at public auction to the highest bidder, payable in lawful money of the United States, at the East entrance of the Eleventh Judicial District Court, in Mineral County, 105 South A Street, Hawthorne, Nevada 89419 on November 10, 2025, at 3:00 PM of said day, to be served and noticed in the following manner:

1. Upon the Trustor and all other persons entitled to notice, as set forth in Exhibit 2 of the Notice of Trustee's Sale, by certified mail;
2. In a public place in the county where the property is situated by posting the Notice of Trustee's Sale upon the notice board at Mineral County Courthouse at 105 South A Street, Hawthorne, Nevada 89419;
3. By posting upon the fence located at the main entrance of Rawhide Mining LLC, in the vicinity of Ryan Canyon Road, in Mineral County, Nevada;
4. By publishing online three (3) times, once each week for three (3) consecutive weeks, before the date of sale therein fixed in the Mineral County Independent-News, a newspaper of general online circulation in Mineral County, the county and state in which the premises to be sold are situated, Notice of Trustee's Sale; and

5. By publishing in print and online three (3) times, once each week for three (3) consecutive weeks, before the date of sale therein fixed in the Lahontan Valley News, a newspaper of general circulation in Churchill County, the county abutting the county and state in which the premises to be sold are situated; and

WHEREAS, compliance having been made with all of the statutory provisions of the State of Nevada and with all of the provisions of said Deed of Trust as to the acts to be performed and notices to be given, and in particular, full compliance having been made with all requirements of law regarding the service of notices required by statutes, said Trustee, at such time and place did then and there at public auction sell the property hereinafter described to said Grantee for the sum of TEN MILLION (\$10,000,000.00) dollars, in partial satisfaction of the indebtedness secured by said Deed of Trust, said Grantee being the highest and best bidder therefore. There may be a deficiency of the proceeds of the sale and a balance remaining due to the Beneficiary of said Deed of Trust, and said Beneficiary reserves all rights with respect to such deficiency and remaining balance, including, without limitation, all rights under NRS 40.451 through 40.459, inclusive.

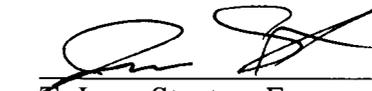

NOW, THEREFORE, Trustee, in consideration of the premises recited and the sum herein mentioned bid and paid by the Grantee, the receipt of which is hereby acknowledged, and by virtue of these premises, does GRANT AND CONVEY, but without warranty or covenants, express or implied, to Grantee, all right, title and interest under said Deed of Trust in that certain property situated in the County of Mineral, State of Nevada, described in Exhibit 1, Exhibit A-1, Exhibit A-2, Exhibit B-1 and Exhibit B-2 attached hereto.

Together with any and all improvements, personal property and fixtures located thereon or otherwise described in the Deed of Trust and in any other instruments in favor of the Beneficiary, and all singular tenements, hereditaments and appurtenances thereunto belonging or appertaining, rents, issues and profits thereof.

Trustee hereby affirms that all statutory requirements of NRS 107.080 have been satisfied and that Trustee has complied with all provisions of said Deed of Trust and applicable law.

IN WITNESS THEREOF, Trustee has executed this Trustee's Deed After Sale.

DATED this 19 day of November, 2025.

T. Jaren Stanton, Esq.
Successor Trustee

NOTICE OF ERRATA / AFFIDAVIT OF CORRECTION

It has come to the attention of WALKER LANE RESOURCES LLC, Grantee of that certain Trustee's Deed After Sale, dated November 18, 2025, and recorded November 20, 2025, as Entry 191785 in Mineral County, NV (the "County") that certain clerical errors have been perpetually recorded with the County in at least the documents listed in **Section B** below. These errors are more particularly described as follows in **Section A**.

Section A. Perpetuated Errors.

1. **Error #1, Subsection (c)**¹ (regarding property descriptions) erroneously references **Exhibit B** as describing the Water Rights appurtenant to the land being conveyed. The Water Rights are actually described in **Exhibit C**.

REFERENCE ERROR

(c) All interest which Trustor may have or may hereafter acquire in all water, water rights and the permits and other evidence of authority or approval to appropriate and/or use ground or surface water appurtenant to or in connection with the Land or the Mining Lease, including, without limitation, all rights and interest of Trustor in and to the water rights described on **Exhibit B** attached hereto and incorporated herein (both consumptive and nonconsumptive), together with all changes, amendments, modifications or replacements thereof (collectively, the "**Water Rights**"); together with

¹ **Subsection (c) to Exhibit 2** of Assignment Entry **191084**; and to **Exhibit 1** of Trustee's Deed After Sale, Entry **191785**.

EXHIBIT C to EXHIBIT 1

Water Rights

All water and water rights, ditch and ditch rights, and water stock (whether riparian, appropriative or otherwise, and whether or not appurtenant), relating to all or any part of the Land or other Real Property or the use and enjoyment thereof, and all applicable applications, permits, rights of diversion, and rights to change the point of diversion, place of use and manner of use with respect thereto, including, without limitation, the following:

All of the water and water rights described in Permit No. 62013, Certificate No. 16156 being a total of 521.02 acre feet annually, more or less, as granted by the State Engineer and filed in the Nevada Division of Water Resources.

All of the water and water rights described in Permit No. 62014, Certificate No. 16157 being a total of 550.7 acre feet annually, more or less, as granted by the State Engineer and filed in the Nevada Division of Water Resources.

2. **Error #2, EXHIBIT C, paragraphs 2 and 3** (above) erroneously invert certain digits of the referenced Permit Nos. According to the Nevada Division of Water Resources (the "Division"), the Permit Nos. which correlate to the referenced Certificate Nos. are as follows:

- a. Permit 62103 to Certificate 16156 (project name Denton Rawhide)
- b. Permit 62104 to Certificate 16157 (project name Denton Rawhide)

The Permit Information pages from the Division for each Permit (showing the correct Permit Nos.) are **attached hereto as EXHIBIT A.**

Section B. Effected Recordings and Applicable Errors.

- 1. Deed of Trust, Entry **169965**, recorded January 3, 2019. **(Error #2)**
- 2. Assignment and Assumption of Deed of Trust, Entry **191084**, recorded October 13, 2025 **(Errors #1 and 2)**
- 3. Trustee's Deed After Sale, Entry **191785**, recorded November 11, 2025. **(Errors #1 and 2)**

This **NOTICE OF ERRATA / AFFIDAVIT OF CORRECTION** is meant to give notice of these errors and correct the record with Mineral County Recorder going forward.

DATED 1st day of December 2025.

CERTIFICATE OF APPROPRIATION OF WATER

~ ~ ~ ~ ~

WHEREAS, Ross E. de Lipkau, Agent, has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from an underground source, through a drilled well, pump and distribution system for mining, milling and domestic purposes. The point of diversion of water from the source is as follows:

SW¼ NE¼ Section 26, T.13N., R.32E., M.D.B.&M., or at a point from which the NE corner of said Section 26, bears N. 53° 38' E., a distance of 3,043.0 feet situated in Mineral County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of NRS 533.425, has determined the date, source, purpose, amount of appropriation, and the place where such water is appurtenant, as follows:

Name of appropriator:	Kennecott Rawhide Mining Company
Source:	Underground
Manner of Use:	Mining, Milling and Domestic
Amount of appropriation:	1.89 c.f.s., but not to exceed *169.776 million gallons annually
Period of use:	January 1st to December 31st of each year
Date of priority of appropriation:	**February 22, 1984

Description of the works of diversion, manner and place of use:

Water is developed by means of a drilled well, 495 feet deep, 12-inch diameter casing, equipped with a 300 H.P. diesel motor, thence to a distribution system for mining, milling and domestic purposes.

Description of land to which the water is appurtenant:

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of an underground source as heretofore granted under Permit 47706 is issued subject to the terms and conditions imposed in said Permit 47706 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Permits 62103 and 62104 shall not exceed 1,026.0 million gallons annually.

This permit is issued under the preferred use provisions of NRS Chapter 534. The manner of use of water under this permit is by nature of its activity a temporary use and any application to change the manner of use granted under this permit will be subject to additional determination and evaluation with respect to the permanent effects on existing rights and the resource within the ground water basin.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

Monthly records shall be kept of the amount of water pumped from this well and the records submitted to the State Engineer on a quarterly basis within 15 days after the end of each calendar quarter.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 4.46 cubic feet per second, but not to exceed 1,026.0 million gallons annually.

Work must be prosecuted with reasonable diligence and be completed on or before:

CERTIFICATE OF APPROPRIATION OF WATER

~ ~ ~ ~ ~

WHEREAS, Ross E. de Lipkau, Agent, has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from an underground source, through a drilled well, pump and distribution system for mining, milling and domestic purposes. The point of diversion of water from the source is as follows:

NW⁴ SE⁴ Section 26, T.13N., R.32E., M.D.B.&M., or at a point from which the NE corner of said Section 26, bears N. 36° 01' E., a distance of 3,675.0 feet situated in Mineral County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of NRS 533.425, has determined the date, source, purpose, amount of appropriation, and the place where such water is appurtenant, as follows:

Name of appropriator:	Kennecott Rawhide Mining Company
Source:	Underground
Manner of Use:	Mining, Milling and Domestic
Amount of appropriation:	1.89 c.f.s., but not to exceed *179.452 million gallons annually
Period of use:	January 1st to December 31st of each year
Date of priority of appropriation:	**June 01, 1984

Description of the works of diversion, manner and place of use:

Water is developed by means of a drilled well, 501 feet deep, 12-inch diameter casing, equipped with a 300 H.P. diesel motor, thence to a distribution system for mining, milling and domestic purposes.

Description of land to which the water is appurtenant:
